

**KILLEENTIerna YOUTH CLUB**  
Membership Form 2016 / 2017

Killeentierna Youth Club will re-open on Friday 6th of Oct in Currow Hall from 8:00 to 10:00 PM.

The club belongs to the parents and the young people of the parish and we as leaders only facilitate the running of it. It is therefore important that all parties have an input into the running of the club; so each year a junior committee of members is formed – to plan events - and also a Parents committee – with whom we can discuss the running of the Club and any problems which may arise during the year.

Killeentierna Youth Club leaders will not be responsible for any member except in the club hall from 8:00 pm to 10:00 pm on club nights and also on Club outings. The club's insurance will only apply on these occasions. We would urge you to ensure that your teenagers have transport to & from the club.

A full list of Youth Club Rules can be viewed on our Web Page. ([www.killeentiernayc.com/rules.html](http://www.killeentiernayc.com/rules.html))

PARENTS COMMITTEE			
The parents committee is essential to the running of the club and meets no more than 3 times per year. It is not a requirement that members of the committee attend club nights or outings. Without the committee, the club cannot acquire insurance for the year so it is essential that parents get involved to aid the continued running of the club.			
I would be interested in participating in the Parents Committee	YES	NO	

I give permission for my Son'(s)/Daughter'(s) listed above to join the club and understand that he/she will adhere to all club rules and failure to do so my result in suspension or expulsion from the club. I also understand that I am consenting to him/her attending youth club events and give permission for him/her to be photographed / videoed for the display on the youth club website, digital media sites and traditional print media.

Please list any medical conditions that your Son or Daughter have that we should be aware of.

I the undersigned (Parent / Guardian) understand agree with & will comply with the items outlined above.
